Continuing Medical Education

The “A practical diagnostic approach to Thyroid, Lung and Soft Tissue Pathology”, Florence, Italy, 07/11/2018-08/11/2018 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with 12 European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME® credit to AMA credit can be found at www.ama-assn.org/education/earn-credit-participation-international-activities

Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.

November 7-8, 2018

A practical diagnostic approach to Thyroid, Lung and Soft Tissue Pathology

Saul Suster, MD

Learning Objectives

The course is designed to help pathologists:

- Discuss the differential diagnosis of Thyroid follicular growth pattern lesions.
- Analyse the histological features of Hürthle cell lesions of Thyroid to avoid diagnostic pitfalls.
- Apply criteria for diagnosis of Lung adenocarcinoma in small endoscopic biopsies.
- Recognize and compare unusual tumours of the pleura.
- Describe different myxoid entities in Soft Tissue pathology.
- Evaluate how accurate diagnosis of rare entities of Soft Tissue tumours may influence treatment selection.

GENERAL INFORMATION

The Foundation MALPIGHI PATHOLOGY ACADEMY will hold a two-day course focusing on a practical diagnostic approach to thyroid, lung and soft tissue pathology.

Official language: English

Faculty:
