Conference Overview and Objectives

This four-day extensive review of multiple systems in anatomical pathology will enable pathologists to become more proficient in different fields of anatomic pathology. The didactic presentations from leading experts in the field of pathology will provide in-depth discussions of problems in diagnoses that practicing pathologists face in their hospitals in day-to-day activities while the seminar will help residents and fellows with their specialty boards.

At the conclusion of this seminar, participants should be able to:

- demonstrate improvement in diagnostic skill in problematic areas of anatomical pathology
- identify, classify and differentiate benign, premalignant and malignant lesions in different organs
- apply special immunostains and molecular testing in the evaluation of non-neoplastic and neoplastic diseases
- communicate results effectively with the clinicians and better appreciate the importance of clinicopathologic correlation

Invited faculty

Ashley Ciminio-Mathews, MD

*Johns Hopkins
Breast Pathology*

Justin Bishop, MD

*UT
Southwestern Medical Center
Head and Neck Pathology*

Rhonda Yantiss, MD

*Wiell Cornell University
GI Pathology*

Marisa Rose Nucci, MD.

*Brigham and Women's Hospital
GYN Pathology*

Henry Tazelaar, MD

*Mayo Clinic
Pulmonary/Thoracic Pathology*

Sylvia Asa, MD

*University of Toronto
Endocrine Pathology*

Ming Zhou, MD, PhD

*UT Southwestern Medical Center
GU Pathology*

Eva Wojcik, MD

*Loyola University Medical Center
Cytopathology*

Medicine and Humanities

Lecture:

Ernest Hartwig
Forest PA School System
Green Beret Medic

Accreditation

Physicians and Non-Physician Attendees
Allegheny General Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Allegheny General Hospital designates this live activity for a maximum of 26.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Additional Information

A formal course brochure and online registration will be available soon at www.aghcme.org.
