

7th ANNUAL SYMPOSIUM NOVEMBER 9-13, 2015
**Tutorial on Pathology of the
 GI Tract, Pancreas and Liver**

Walt Disney World Swan and Dolphin Resort
 Lake Buena Vista, Florida
 at Walt Disney World® Resort

Weill Cornell Medical College

Course Goals & Objectives

This course is designed to update physicians on advances in our understanding of gastrointestinal diseases, address problems faced during the pathologic evaluation of tissue samples, and provide pathologists with a framework for interpretation of both histologic patterns of disease and results of molecular analyses. The course will be conducted under the direction of Rhonda K. Yantiss, MD at the *Walt Disney World Swan and Dolphin Resort*, located in Lake Buena Vista, Florida from **November 9-13, 2015**. The program will consist of lectures, case presentations and discussions designed to provide attendees with an in-depth discussion of diagnostic problems that arise when evaluating materials obtained from the gastrointestinal tract, pancreas, and liver, and inform them regarding the application and interpretation of immunohistochemical and molecular studies in the diagnosis and classification of these diseases. An extensive compilation of presentations, lecture notes, and reference citations will be available online.

Target Audience

Pathologists and pathologists-in-training.

General Information

The Tutorial consists of five days of lectures, case presentations and discussions. It will be held at the *Walt Disney World Swan and Dolphin Resort*, 1200 Epcot Resorts Blvd., Lake Buena Vista, FL 32830, United States. Tel: (407) 934-4000; (<http://www.swandolphin.com>).

Disclosure of Relationships/Content Validity

It is the policy of Weill Cornell Medical College to adhere to ACCME Criteria, Policies, and Standards for Commercial Support and content validation in order to ensure fair balance, independence, objectivity, and scientific rigor in all its sponsored activities. All speakers, Course Directors, Co-Course Directors, planners, reviewers, and staff members participating in sponsored activities are expected to disclose relevant financial relationships pertaining to their contribution to the activity. Relationship information is analyzed to determine whether conflicts of interest exist. All conflicts of interest are resolved prior to participation in the planning or implementation of this activity. Presenters and authors are also expected to disclose any discussion of (1) off-label or investigational uses of FDA approved commercial products or devices or (2) products or devices not yet approved in the United States.

Credit for attendance at the lectures is granted on an hour for hour basis and will be indicated at the bottom of the Tutorial certificate, which will be mailed to you approximately 6 weeks after conclusion of the program.

Tuition

The registration fee is \$1,225, which includes registration for the Tutorial, online course materials, daily continental breakfasts, coffee breaks, and a reception. This fee does not include any travel, housing, other meals, or additional expenses. The registration fee will increase to \$1,325 for all requests post-marked after October 5, 2015.

Course Materials ... Going Green!

Please note, we will no longer offer hard copies of course materials, including the flash drive. Materials will be made available online prior to the course. You will receive an email notification providing the link and password required to view and print the handouts. You may also opt to view the materials online during the course using your electronic device. Wifi internet access will be provided at no additional charge.

Confirmation/Seating

A written confirmation will be sent to all registrants. Early registration is recommended. Seating at the program is on a first-come, first-served basis and will be assigned based on registration date. **The seat assigned remains yours throughout the course.**

Cancellation Policy

In the event of cancellation, the Tutorial fee is refundable, less a \$125 service charge. A front and back copy of your cancelled check must be submitted with a refund request. After October 12, 2015, no refunds will be possible and no exceptions of any kind will be honored.

Accreditation and Credit Designation Statements

Weill Cornell Medical College is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Weill Cornell Medical College designates this live activity for a maximum of **31.5 AMA PRA Category 1 Credit(s)**™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Maintenance of Certification

The American Board of Pathology has approved the Tutorial as a Self-Assessment Module (SAM) for Part II of the ABP Maintenance of Certification (MOC) program and designates this educational activity for a maximum of **20.0 SAM Credit(s)**.

Transportation

The *Walt Disney World Swan and Dolphin Resort* is located in Lake Buena Vista in the Orlando area of Florida. Orlando International Airport (MIA) is 20 miles and approximately 30 minutes from the hotel. Rental cars can be arranged at the airport, as well as through the hotel concierge. Limousine service, valet and self-parking are also available.

Other

A continental-style breakfast will be available each day at 7 a.m. in the foyer outside the Swan Ballroom where the Tutorial sessions will be held.

Accommodations

Accommodations have been reserved for Tutorial participants at the *Walt Disney World Swan and Dolphin Resort*. Note that a one-night deposit is required. Participants may make reservations at <http://www.swandolphin.com/groups/WCMC15/> or call (800)227-1500 to make reservations. Advise the reservations desk that you will be attending the Tutorial on Pathology of the GI Tract, Pancreas and Liver from November 9-13, 2015 in order to receive the Cornell group rate. A confirmation number will be immediately assigned. The special daily rate for this meeting is \$209/night (single/double). Reservations made after October 8, 2015 will be accepted on a space-available basis and rooms will not be available at the discounted group rate. **Please make your reservations early!**

Recording Devices

The use of cell phones or video/audio recording during the lectures is strictly prohibited.
