### MEETING OBJECTIVES:

- Identify Fibroepithelial Lesions of the Breast.
- Recognize Spindle Cell lesions of the Breast.
- Evaluate In situ Carcinomas of the Breast.
- Evaluate Breast Specimens after Neoadjuvant Systemic Therapy.
- Identify the basics of mammography and ultrasound of the breast and understand their role in screening and diagnosis.
- Identify and assess new entities using common pathology tools (morphology, immunohistochemistry and genetics).
- Recognize pathologic features that are signs of malignancy or infection.
- Identify subtle clues aiding in diagnosis of “non-specific” lesions.
- Use eponymous names in dermatology/dermatopathology with an understanding of their historical significance.
- Identify the morphologic criteria of benign and malignant processes in all types of breast specimens.
- Relate to the clinician’s rationale for taking a biopsy and evaluate diagnostic categories for the clinically brown skin lesion.
- Determine and re-evaluate the validity of measuring distance to margins for skin tumors and describe the function of the “tip” in creation of an elliptical skin excision.

### ACCREDITATION

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the Joint Providership of the College of American Pathologists and the Pacific Northwest Society of Pathologists. The College of American Pathologists is accredited by the ACCME to provide continuing medical education for physicians.

The College of American Pathologists designates this live educational activity for a maximum of 10 AMA PRA Category 1 Credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

The content of this CME activity does not necessarily reflect the view or policies of the College of American Pathologists.

☐ My food preference is vegetarian  ☐ My food preference is vegan  ☐ My food preference is gluten-free

Conference registration fee includes your tuition, syllabus, breakfast (Saturday & Sunday), breaks, and Saturday lunch.

Conference Registration  Early Bird by September 28  After September 29

☐ PNWSP Member  $325.00  $350.00

☐ Physician Non-Member  $425.00  $450.00

☐ Pathology Assistant  $150.00  $200.00

☐ Cytotechnologists  $150.00  $200.00

☐ Resident-Member  no charge  $50.00

☐ Resident-Non-Member  $75.00  $100.00

TOTAL ENCLOSED: ________________________________

Mail to: PNWSP
2001 Sixth Avenue, Suite 2700
Seattle, WA 98121

☐ Enclosed is my check made payable to: PNWSP

☐ Credit Card Payment: you must register online at: www.pnwsp.org to pay with a credit card

CANCELLATION POLICY: We must receive written notification of your cancellation. A $75 processing fee will be deducted from the registration refund. No refunds after October 1, 2018. INQUIRIES: Contact the PNWSP Office at 206-956-3642, or send an email to LMK@wsma.org
**FACULTY:**

Aysegul Sahin, MD  
The University of Texas  
MD Anderson Cancer Center  
Professor, Department of Pathology  
Houston, TX

Paula Gordon, OBC, MD, FRCPC  
Clinical Professor, Department of Radiology  
University of British Columbia  
Vancouver, BC

Caroline Mariano, MD  
Oncologist/Hematologist  
New Westminster, BC

Carolyn Shiau, MD, FRCPC, DABP  
Clinical Assistant Professor  
Anatomic Pathologist and Dermatopathologist  
Royal Columbian Hospital  
Vancouver BC

Graham W. Slack, MD  
BC Cancer & University of British Columbia  
Vancouver, BC

Martin Trotter, MD, PhD, FRCPC  
Providence Health Care  
Vancouver BC

Meeting Planner/Co-Chairs:  
Ananta Gurung, MD, FRCPC, FASCP  
Wei Xiong, MD, PhD, FRCPC
