Current Issues in Anatomic Pathology
Thursday - Saturday
May 25-27, 2017
Hotel Nikko
San Francisco, California

Self-Assessment Modules (SAMs) will be offered for SAM credits meeting MOC Part 2 requirements

Cytology Seminar
Wednesday, May 24, 2017
(separate fee, limited enrollment)

NEW: Evening Interactive Microscopic Tutorials
(separate fee, limited enrollment)
This annual course addresses a wide range of topics in anatomic pathology and explores new and evolving areas in the diagnosis and analysis of disease. It aims to provide the latest practical and theoretical information that will aid the practicing pathologist in solving those problems most often encountered in the anatomic pathology laboratory. An audience response system will facilitate questions and discussion. Participants will be able to register for either the entire three-day meeting or for any combination of individual one-day blocks.

OBJECTIVES

The principal objective of this activity is to identify areas of diagnostic difficulties and challenges in everyday surgical pathology and cytopathology practice, and to provide expert insight on selected topics through different educational formats. Educational experience is further enhanced through a collegial contact and one-on-one interaction throughout the course. As identified through recent publications and other data gathering efforts, the topics selected each year reflect areas in which substantial information and progress has been made. The topics of discussion also focus on areas in which there is significant difficulty in interpretation of pathological features. In general terms, we expect that at the end of this course, the participants will:

- reduce occurrence of common mistakes and pitfalls in the diagnosis of genitourinary, breast, gynecological, gastrointestinal, hepatobiliary, hematolymphoid, pulmonary, and soft tissue diseases (see program for specific diseases in the current course) in everyday surgical pathology;
- improve diagnostic accuracy with mimickers of specific diseases in each specialty;
- interpret special studies that will allow easier differential diagnosis;
- improve ability to identify the pertinent histopathological characteristics of diseases to allow unequivocal diagnosis;
- use new and additional components of the pathology report to improve its clinical value;
- integrate the recent changes/modifications in the pathological classification of diseases or lesions.
CYTOLOGY SEMINAR (SFVAMC, Bldg. 2, Floor 3, Anatomic Pathology)

Enrollment in this seminar is limited to 18 persons on a first-come, first-served basis. The seminar will be held on the UCSF San Francisco VA Medical Center campus.

Shuttle service will be provided between the Hotel Nikko and the San Francisco VA Medical Center.

Seminar Registration Fee: $315. Enrollment limited to 18.

Please call the registration office (415-476-5808) to verify space is available before sending payment for the Cytology Seminar.

Faculty

Ronald Balassanian, MD  Associate Professor of Pathology
Gioia Iezza, MD  Associate Professor of Pathology
Britt-Marie Ljung, MD  Professor Emerita of Pathology
Poonam Vohra, MD  Assistant Professor of Pathology

Course Chair: Laura Tabatabai, MD  Professor of Pathology

EDUCATIONAL OBJECTIVES

To present the audience a hands-on experience in diagnostic problems in everyday cytopathology practice and an update on recent developments in the use of special techniques in cytopathology. At the end of the cytopathology course, the learner will be able to identify common problem areas in cytopathology practice, recognize potential pitfalls and develop a differential diagnosis and a management plan. The learner will be able to identify the practical benefit of special techniques.

WEDNESDAY, MAY 24, 2017

7:30 am  Shuttle Departs from Hotel Nikko
8:10 am  Registration, Coffee, and Greetings (Rm 344)
8:30 am  CONCURRENT SESSIONS

A. Thyroid FNA: Focus on Difficult Cases (Rm 343)  Britt-Marie Ljung, MD
B. FNA Cytology of Interesting and Challenging Deep-seated Lesions (Rm 253)  Gioia Iezza, MD

10:00 am  Break (Rm 344)
10:20 am  CONCURRENT SESSIONS

A. FNA Cytology of Interesting and Challenging Deep-seated Lesions (Rm 343)  Gioia Iezza, MD
B. Thyroid FNA: Focus on Difficult Cases (Rm 253)  Britt-Marie Ljung, MD

11:50 am  Lunch provided (Rm 344)
12:45 pm  CONCURRENT SESSIONS

A. Urinary Cytology: The Paris System (Rm 343)  Poonam Vohra, MD
B. Lymph Node FNA Cytology (Rm 343)  Ronald Balassanian, MD

2:15 pm  Break (Rm 344)
2:35 pm  CONCURRENT SESSIONS

A. Lymph Node FNA Cytology (Rm 343)  Ronald Balassanian, MD
B. Urinary Cytology: The Paris System (Rm 253)  Poonam Vohra, MD

4:15 pm  Shuttle Departs for Hotel Nikko

This year's Seminar is dedicated in honor of Dr. Britt-Marie Ljung's years of service to the field of Cytopathology.

FRIDAY, MAY 26, 2017  continued

12:15 - 1:15 pm  LUNCH TUTORIALS – (separate fee; limited enrollment)

**TUTORIAL C:** Update on Molecular Microbiology Testing for Diagnosis of Infectious Disease  
Steve Miller, MD, PhD

**TUTORIAL D:** Cases in Salivary Gland Neoplasms: Application of a Systematic and Practical Approach  
Sarah M. Calkins, MD

1:30  Pitfalls in the Diagnosis of Medical Liver Disease with Two Concurrent Etiologies  
Linda Ferrell, MD

2:20  Gastric Polyps: Diagnosis and Management  
Gregory Lauwers, MD, PhD

3:10  Break

3:30  Select Problems in Cystic Pancreatic Lesions  
Grace Kim, MD

3:55  **HENRY MOON LECTURE:** Emerging Infections: Historical Perspectives, Precipitating Factors, and Pathologic Diagnosis  
Laura Lamps, MD

5:00 - 7:00 pm  Wine & Cheese Reception – Hotel Nikko

SATURDAY, MAY 27, 2017

8:00 am  Continental Breakfast

8:30  **WHOse new in Thyroid Gland Pathology?**  
Lester Thompson, MD

9:20  An Approach to the Diagnosis of Salivary Gland Tumors  
Richard Jordan, DDS, PhD

10:10  Break

10:30  2017 WHO Head and Neck: Update on Selected Topics  
Lester Thompson, MD

11:20  HPV Testing in Head and Neck Cancer  
Annemieke van Zante, MD, PhD

12:00  Lunch on own

12:15 - 1:15 pm  LUNCH TUTORIALS – (separate fee; limited enrollment)

**TUTORIAL E:** Clinical Cases in Laboratory Hematopathology  
Scott C. Kogan, MD

**TUTORIAL F:** Neoplastic Lesions of the Upper GI and Liver  
Won-Tak Choi, MD, PhD

1:30  The ABCs of Non-neoplastic Joint Disease: Arthritis, Bacteria and Crystals  
Andrew Horvai, MD, PhD

2:15  Update on Selected Topics in Endothelial Neoplasia  
Andrew Folpe, MD

3:00  Break

3:20  Nerve Sheath and Melanocytic Tumors of Soft Tissue  
Andrew Folpe, MD

4:10  Neoplastic Joint Disease  
Andrew Horvai, MD, PhD

4:45 pm  Adjourn

HENRY MOON LECTURER
Dr. Laura Webb Lamps, MD is the Godfrey D. Stobbe Professor of Gastrointestinal Pathology at the University of Michigan Department of Pathology, and Patient Safety Officer for the University of Michigan Hospital. Dr. Lamps, received her BS degree from Davidson College, followed by her MD from Vanderbilt University in 1992. She completed her pathology training at Vanderbilt, and joined the faculty at the University of Arkansas in 1998, where she served as Professor of Pathology and Vice Chair for Academic Affairs as recently as January 2017.
**ACCREDITATION**
The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**MAP17001A:**
UCSF designates this live activity for a maximum of 23.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This Activity meets the American Board of Pathology’s Maintenance of Certification (MOC) requirements for Part II (CME and SAMs) lifelong learning. Participants in MOC may earn up to 19.00 SAM credits. This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

**MAP17001B:**
UCSF designates this live activity for a maximum of 6.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

**GENERAL INFORMATION**
Advance registration closes one (1) business day prior to start of course.

**HOW TO ENROLL**
Current Issues in Anatomic Pathology (MAP17001A) Registration Fees:
- $845 Physicians
- $795 Allied Health Professionals
- $450 Non-UCSF Residents/Fellows

Day Rate:
- $300 Physicians
- $275 Allied Health Professionals
- $150 Physicians-in-Training

Lunch Tutorials - $95/each (includes lunch)

Evening Tutorials - $125/each (limited enrollment)

Cytology Seminar (MAP17001B)*

Registration Fees:
- $315 Physicians;
  - Allied Health Professionals;
  - Physicians-in-Training

*Enrollment limited to 18 – enroll online or by phone only at cme.ucsf.edu or call (415) 476-5808 to verify that space is available. Do not mail or fax a registration form to: P.O. Box 45368 San Francisco, CA 94145-0368

ON-SITE REGISTRATION
Generally we are able to accommodate on-site registration at our courses however pre-registration is preferred to ensure that we have adequate course materials.

**REFUND POLICY**
Cancellations received in writing before May 19, 2017 will be refunded, less a $75 administrative fee. No refunds will be made on cancellations received after that date.

**CONFERENCE LOCATION**
Enjoy San Francisco’s renowned attractions such as the historic cable cars, shopping in Union Square, or visit San Francisco’s culinary hub at the Ferry Building. The Hotel Nikko is just steps from Union Square and the Theatre District. A block of guestrooms has been reserved at the special UCSF conference rate of $279/night. You are urged to make your reservations early. The cut-off date is April 26, 2017, or until the group room block is filled. After this date, rooms will be provided on a space-available basis only. To make hotel reservations on-line, go to cme.ucsf.edu and click on the hotel link in the Travel & Lodging section of the course webpage. If you prefer to telephone in your reservation, call 1-415-394-1111 and identify yourself as a member of this UCSF conference to receive the special rate.

By staying at the host hotel, you help UCSF meet its contractual obligations and keep registration fees reasonable.

**RENTAL CAR**
Hertz is offering special rates for participants of this conference; simply call (800) 654-2240 and refer to convention number #03BW0136 or call your travel agent. You may also make reservations at www.Hertz.com. Advance reservations are recommended.

**AIR TRANSPORTATION**
UCSF has negotiated special fares with United Airlines for our course attendees. You may use the following tour codes to book on your own:

- United – www.united.com  Code: ZX47922379

**REGISTRATION**
Physicians-in-Training
- Allied Health Professionals
- Physicians-in-Training

Physicians should claim only the credit commensurate with the extent of their participation in the activity. This Activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Dr. Lamps is a renowned academic pathologist and educator, and a leader in the fields of gastrointestinal, hepatic, and infectious disease pathology. She has received multiple teaching awards, and has been invited as a visiting professor or course faculty at over 60 institutions throughout worldwide. She has authored numerous papers and abstracts, particularly in her primary area of interest, the study of infectious diseases of the liver and GI tract. She is the co-author or author of several major pathology textbooks and numerous book chapters. She is also one of four editors of the upcoming new edition of Rosai and Ackerman’s Surgical Pathology. Until this past March, she also served as the chair of the United States and Canadian Academy of Pathology Education Committee.
COURSE REGISTRATION FORM

33rd Annual Current Issues in Anatomic Pathology  May 25-27, 2017 • Hotel Nikko, San Francisco, CA
