13.00 Concluding remarks

How to get to We_Crociferi

...from Venice Marco Polo Tesserà airport www.veniceairport.it

The best connection between Marco Polo Airport and We_Crociferi is water transport. The water bus service is provided by the company [Alilaguna](http://www.alilaguna.it) www.alilaguna.it

On exiting from the Arrivals hall, look for the covered walkway on the left and follow the walkway for 7 minutes until you reach the dock. Catch the Alilaguna Blu Line and get off at Fondamenta Nuove (F.te Nuove) - 2 stops from the airport, about 40 minutes ride).

Exit the pier and head right.

Take the first street on the left.

You will find you in a big square with a white church on the left.

We_Crociferi is just after the church.

...from Venice Santa Lucia train station www.grandistazioni.it

Exit the train station and go left. Just after the big Scalzi bridge you will find pier A.

Catch water bus line 4.2 or 5.2 (both are good) towards Fondamenta Nuove (F.te Nuove).

In 5 or 6 stops (about 30 minutes ride) get off at Fondamenta Nuove.

Exit the pier and go right.

Cross the bridge and turn left.

You will find you in a big square with a white church on the left.

We_Crociferi is just after the church.

GENERAL INFORMATION

The course is designated to give pathologists an update on **Gynecologic Pathology** focusing on Ovarian and Endocervical topics. The course will include didactic lectures followed by practical slide seminars during which the participants will have the opportunity to discuss with the Course Director a large number of teaching cases.
