Website news:

(1) After 2 years, we have converted all 7,500+ topics on our site to our new template format. Every page in our textbook now has a header and footer for easier navigation and a more uniform look. We are now reviewing all 30,000+ images to remove bad image links or links to websites that are likely to go bad. We are also actively adding high quality images from our Editorial Board or other contributors.

(2) We post frequently on our social media sites. Please follow us:
